Lexie Brent

Submitted by Katie Laris

Lexie Brent is an extraordinarily wonderful student in every regard. Intellectually brilliant, kind and considerate to everyone, fully committed to doing meticulous and affecting work in academic work, performance and directing, Lexie has made tremendous contributions to our department in every area. Lexie's work as an actor, whether as an intrusive guest or as an imperious mother or in expertly prepared acting scenes, has been impressive and unforgettable. Lexie's observations shared in class discussions always added real value and original insights to the conversation. Lexie's work in tech and as a director was always notable for the precision, painstaking care and clarity. We couldn't be more proud and grateful to have had the chance to work with this phenomenal student.
